

Teacher (m/w/x) for English Pronunciation Training

Description

SprachUnion was founded in 2008 and today offers a comprehensive package of language services to a large, nationwide client base (including both corporate and private clients). These services include translation, interpreting, language courses, text services, and audio services. The team consists of 10 full-time employees, who are supported by approximately 350 freelance translators, interpreters, and instructors.

Responsibilities

- Conducting an English pronunciation training course (Level C1)
- Independent preparation and follow-up for each lesson
- Selection and evaluation of teaching materials

Qualifications

- Advanced or completed degree in English, education, or a related field
- Native English speaker
- Experience in teaching methodology and lesson planning
- Teaching experience with adults
- Reliable and confident demeanor

Job Benefits

- On-site sessions in 10967 Berlin, once a week for 90 minutes
- Immediate enrollment in our current course offerings
- Starting at 25€ per class (45 minutes)
